

COWICHAN VALLEY COLLECTIVE IMPACT WORKSHOP APPLICATION

Please complete and submit one application per Collective Impact initiative. Once approved, each individual participant in your collective must also register online using the workshop registration link which will be provided. Thank you!

1. CONTACT INFORMATION:

Contact person:

Position/Title:

Email:

Phone:

2. What is the population level outcome you hope to generate through Collective Impact?

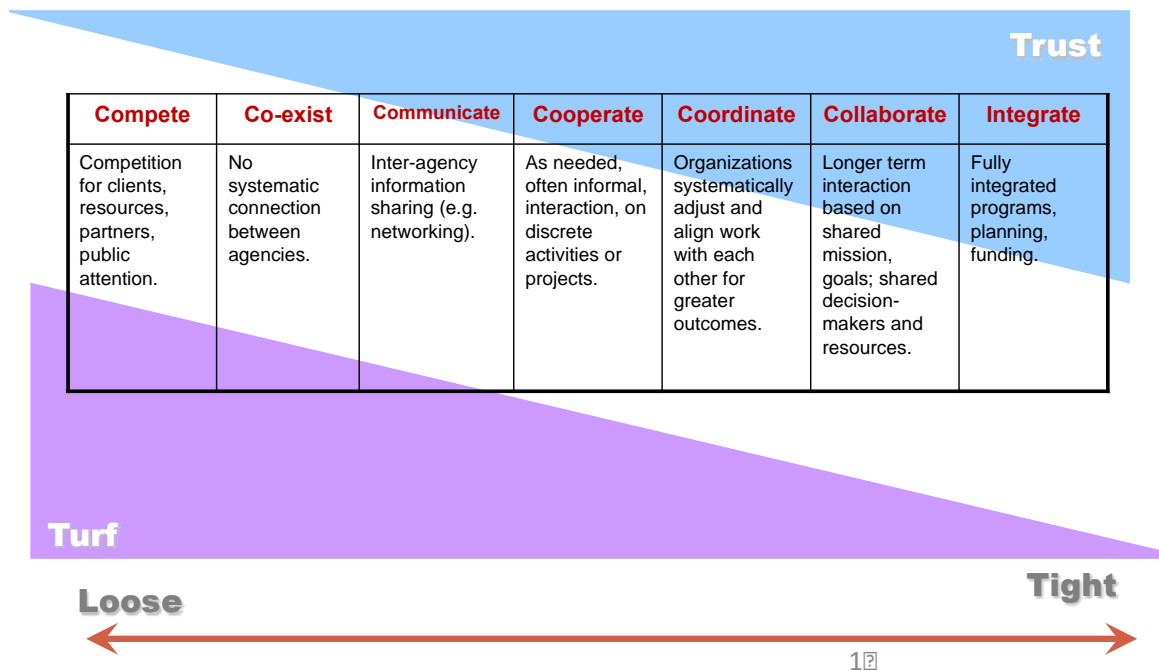

3.a. Why do you believe Collective Impact is an appropriate approach for this issue at this time in your community?

3.b. Which of the following applies to your issue in your community/region: PLEASE SELECT ALL THAT APPLY:

- A core group of partners is committed to making a measurable impact on this issue
- Making progress addressing this social issue at scale (i.e., across the province / region / city) requires the involvement of different sectors including nonprofits, philanthropy, the public sector, and the private sector
- Making significant progress on this issue requires systems change, and greater alignment and connection between many organizations
- Successfully making progress requires both scaling effective work across organizations, as well as identifying new innovative solutions

3.c. Where would you position your collective on the collaboration continuum? (see below)

Setting the Stage: The Collaboration Continuum

4. Have you identified specific population level impact goals that will help you achieve collective Impact on your issue? **PLEASE SELECT ONE ONLY:**

We are still unclear on the collective impact issue is that we would like to address so we have not been able to set specific goals.

We have clarity on the issue we would like to address, but have not yet defined population level impact goals we would like to achieve with other community partners.

We have a working group that has identified the issue we would like to address and have developed a high-level idea of the impact goals we would like to achieve. **Please list these goals:**

We have engaged the community and have determined our broad population level impact goals as well as specific measurements for these goals. **Please list these goals and measurements:**

None of the above. Please explain:

5. Who is currently driving the collective forward? (e.g. key individuals, organizations, working groups that regularly meet and have committed to advancing collective impact?)

Is there a core group of committed partners already working together on this issue?

Yes

No

If yes, who is involved?

Name:	Organization:	Type of involvement:
1.		
2.		
3.		
4.		
5.		
6.		
7.		

If yes, please describe how the partners have been working together to date, and for how long?

If no, how do you plan to involve other partners prior to the workshop?

6. Who else in the community is already engaged on this issue, and how do you plan to engage others?

7. Which of the following pre-conditions for collective impact exist?

Sense of urgency: *Is there urgency for addressing the issue in new and different ways, demonstrated by a frustration with the existing situation by multiple actors including policymakers and funders?*

Yes No Don't know

Please describe:

Influential Champions/Conveners: *Are there influential champions or catalysts that can bring cross-sector leaders and beneficiaries together and begin a collaborative planning process?*

Yes No Don't know

Please describe:

Resources Available: *Are resources available (financial, human capital) to support the planning process and potential backbone infrastructure for at least one year, in addition to a long term (5 year) commitment to the issue?*

Yes No Don't know

Please describe:

8. What data is currently available about this issue and how is data currently used and shared by partners?

9. Anything else you would like us to know?

Please submit this request to Angela Bello at angela@bchealthycommunities.ca **no later than May 4, 2015**
