Ministry of Transportation and Infrastructure

Who do I contact about...

1st Contact your local school and School District

Find out more about your school's **Active Travel plans** first!

PACs, principals, DPACs

- School buses and school transportation information
- Safe routes to/from school (if available)
- After School Care
- Bell times

Your School and School District

- Roads
- Cycling infrastructure
- Bike trails
- Crosswalks, sidewalks
- Local road signs
- Traffic calming
- Snow removal
- Fencing on public property
- **Crime** (for local governments with police departments; it will be federal government for those communities with local RCMP units or detachments)

Your local or Indigenous government

- Bus routes
- Bus schedules
- Bus shelters

BC Transit or TransLink (Greater Vancouver)

- Regional Trails

Ministry of Forests, Lands and Natural Resource Operations or your local trail association

- **Speed limits** – Ministry of Transportation and Infrastructure **SETS** default speed limits (if there is no signage), but municipalities **CAN SET** their own speed limits beyond that with signage
- **Provincial and Federal highways** – Ministry of Transportation and Infrastructure; federal highways such as the Trans-Canada highway falls under the jurisdiction of the province/territory.
- **Provincial Road/traffic signs and pavement markings** – Ministry of Transportation and Infrastructure

Ministry of Transportation and Infrastructure

BC SPCA, or if the animal is threatening or aggressive contact the BC Conservation Officer Service

- Bears, cougars, or other wild animals
